## 2016-2017 AIG Program Carroll Magnet MS

Carroll AIG

## Welcome to the 2016- 2017 School Year!!

Your child has been identified as Academically or Intellectually Gifted in Mathematics, Reading/ English Language Arts, or both.

This means that s/he will be receiving AIG services in the identified area(s) throughout this school year!

You will be receiving information about the AIG Program at Carroll in the weeks and months ahead, but I wanted to take this opportunity to welcome you to Carroll and introduce myself. I am Carly Williams, and I am the AIG Teacher at Carroll. If you have any AIG related questions, please *always* feel free to contact me! Since I travel between schools, it can sometimes be difficult to reach me by phone. The most efficient way to reach me is via my Wake County email. My email address is: [cjwilliams@wcpss.net](mailto:cjwilliams@wcpss.net), and I try to respond to messages within 24 hours.

You are also welcome to leave me a message by calling the main office at Carroll at (919) 881-1370.

### CMMS AIG ~ STAY INFORMED!

I hope that you will take the time to visit the Carroll Magnet Middle AIG Program website. This is where the most up to date AIG information is located. I frequently add announcements that may be of interest to AIG parents and students, so I hope you will check the site often!! You can access the site directly by visiting <http://cmmsaig.weebly.com/>, OR you can get there from the main [Carroll Magnet website](#) by clicking on “Departments/Grade Levels” under the “Academics” tab, and navigating to “Other Certified Staff.”

I also strongly encourage you to follow the CMMS AIG Program on Twitter: [@CMMS\\_AIG](#). This will ensure that you are receiving the latest and most important information!

### AIG PARENT INFORMATION SESSIONS

You will be receiving an invitation to an AIG Parent Information Session sometime during the first semester of the school year. These brief sessions will provide an overview of the AIG Program here at Carroll, including specifics about how our services are delivered, AIG paperwork, and more. I encourage you to attend one of the sessions, especially if you are the parent of a 6<sup>th</sup> grader, or a student new to Wake County. I generally offer these sessions at several different times to accommodate different schedules. Once scheduled, the dates and times will also be posted on the website, so feel free to check there!!

**I am so excited about our AIG program this year, and I look forward to working with your child!**
